

## Disclosure for Plant Material

**Completed form should be submitted via:**

**USPS:** CTL, 395 Pine Tree Road, Suite 310, Ithaca, NY 14850

**Campus Mail:** CTL, 395 Pine Tree Road, Suite 310

**Fax:** 607.254.5454 (original signature copy must be sent separately, if not signed with electronic signature)

**E-mail:** [ctl-disclosures@cornell.edu](mailto:ctl-disclosures@cornell.edu) (original signature copy must be sent separately, if not signed with electronic signature)

**CTL USE ONLY:**

**Docket No.:**

**Technology No.:**

**Classification Code:**

**I. Plant Name with Line and/or Experimental and Accession Number** (Please contact CTL if you desire to group like lines into the same docket, ex. multiple lines bred with the same parents.)

**II. Crop Type** \_\_\_\_\_

**III. Genus/Species** \_\_\_\_\_

**IV. Brief Description of the plant material:** Describe the important characteristics of this plant material (attachments welcome).

**V. Funding Sources and/or Sponsorship:** List the funding source(s) and relevant contract number(s) (if available) for work that led to the development of this plant material.

Name of Sponsor	Sponsor's Contract No.	OSP No.

**VI. Information needed for consideration for variety protection:**

Has the plant material described above in I. Plant Name with Line and/or Experimental and Accession Number been in any publications, please list the date of the first publication on this plant material.

Has the plant material described above in I. Plant Name with Line and/or Experimental and Accession Number been sold or offered for sale? If yes, please list the first date of sale and circumstances of any sales or offers for sale to a third party.

**VII. Development and or Marketing:**

- A. Is (will) NYSIP (be) involved?  Yes  No
- B. Is (will) VBI (be) involved?  Yes  No

**VIII. Third Party Ownership:**

- A. Is any component of the plant material owned by a third party?  Yes\*  No
- \*If "Yes", please identify and describe.

.
---

**IX. Additional Information:** If available, provide an attachment(s) containing a complete description of the plant material (including origin and breeding history, objective description, and trial data).

--

**X. Breeder Information:** In accordance with the United States Department of Agriculture Plant Variety Protection Act and Regulations and Rules of Practice, the term "breeder" shall mean the person who directs the final breeding creating a variety or who discovers and develops a variety. If the actions are conducted by an agent on behalf of a principal, the principal, rather than the agent, shall be considered the breeder. The term does not include a person who redevelops or rediscovers a variety the existence of which is publicly known or a matter of public knowledge.

Name of Primary Breeder Contact for CTL regarding this invention: \_\_\_\_\_

*Please note that the Primary Contact is the person who will provide information to and interact with CTL regarding the invention, related patent applications, and potential licenses. The Primary Contact can be modified when the circumstance changes in the future.*

Home phone:			

**Note: If there are more than four breeders, please provide additional information on a supplemental sheet.**

**XI. Breeder Signature(s):** Per the Cornell University Inventions and Related Property Rights Policy, I (we) hereby assign all right, title, and interest in and to this plant material to Cornell University ("Cornell") and agree to execute all documents as requested to assign my (our) rights to Cornell in and to any patent, plant variety protection certificate application or other statutory form of intellectual property protection filed in connection with this disclosure, and to cooperate with Center for Technology Licensing at Cornell University ("CTL") in securing protection of the disclosed plant material.

I (We) hereby declare this Disclosure for Plant Material is complete and accurate to the best of my (our) knowledge.
