LICENSE AGREEMENT

BETWEEN

Company Name

AND

CORNELL UNIVERSITY

FOR

DOCKET NO. D- 5051

**License for
Certified Seed Production**

'Algonquin' (NY 141) Potato

This Agreement, entered into the first day of October, 2019 ("Effective Date"), by and between Cornell University ("Cornell"), as represented by the Center for Technology Licensing at Cornell University, having offices at 395 Pine Tree Road, Suite 310, Ithaca, NY 14850 ("CTL"), and _____, having physical business offices at _____ ("Licensee"), hereinafter each individually "Party" and collectively "Parties". The Parties witness that:

RECITALS

WHEREAS, the Licensed Variety (as defined below), documented in CTL Disclosure Docket D-5051, was made in the course of research at Cornell by its plant breeder, Dr. Walter S. De Jong ("Breeder") and are covered by Plant Rights; and

WHEREAS, the Breeder is employed by Cornell, and is obligated to assign all of their rights, title and interest in and to the Licensed Variety, including any Plant Rights (as defined below) therein, to Cornell;

WHEREAS, CTL is authorized by Cornell to manage the Licensed Variety and Plant Rights therein and to grant rights thereto to third parties to advance the missions of Cornell;

WHEREAS, CORNELL has designated the New York Seed Improvement Project ("NYSIP") to assist CTL in the management and licensing of certain plant lines developed by CORNELL; and

WHEREAS, LICENSEE desires to obtain certain rights from Cornell for the use and commercialization of Licensed Variety in the Territory (as defined below), and Cornell is willing to grant such rights upon and subject to the terms and conditions of this Agreement.

Now therefore, the Parties agree as follows:

1. DEFINITIONS

For the purposes of this Agreement, the definitions below shall have the same meaning in both their plural and singular forms.

- 1.1 "Field"** means the propagation of the Licensed Variety for sale and or internal transfer of seed (e.g. replanting for commercial production in a facility controlled by Licensee and/or its contract growers) for commercial production.
- 1.2 "Net Sales"** means the total of the gross invoice prices of seed sold by Licensee or its contract growers less the sum of the following amounts when separately listed on the invoices of Licensee: (a) customary trade quantity or cash discounts and rebates actually allowed and taken; and (b) amounts repaid or credited to Licensees on account of rejections or returns.
- 1.3 "Licensed Variety"** means "Potato (NY141) 'Algonquin'" and any progeny, derivatives, portions, seeds, plants, vegetative parts, propagules and genetic materials derived therefrom, developed in the course of research at Cornell that may or may not contain intellectual property.

1.4 “Territory” means United States of America.

1.5 “Term” means the period of time beginning on the Effective Date and ending on September 30, 2020.

1.6 “Plant Rights” means Cornell’s right in the United States Plant Variety Protection Certificate No. 201700300.

1.7 “Certified Seed” shall mean foundation and registered seed handled under procedures acceptable to the Department of Agriculture and Forestry to maintain satisfactory genetic purity and identity as defined according the standards of the official seed certification agency having jurisdiction in the area of production.

2. GRANT OF RIGHTS

2.1 License. Cornell hereby grants to Licensee a non-exclusive license to produce, label, sell, and market Certified Seed of Licensed Variety in the Field in the Territory. Production of Certified Seed of Licensed Variety is restricted to Licensee and or Licensee’s contract growers who are contractually obligated under the terms and conditions of this Agreement.

2.2 Unauthorized propagation of the Licensed Variety is prohibited. Licensee is prohibited from producing, labeling, marketing, or transferring seed of the Licensed Variety for propagation purposes to any third party inside or outside of the Territory without prior written permission of CTL. Licensee may transfer seed of the Licensed Variety to another holder of a valid license for the Licensed Variety only with prior written approval of CTL or its designee, NYSIP.

2.3 Reservation of Rights. Cornell reserves all rights to use Licensed Variety and Plant Rights and to further grant such rights to third parties.

3. CONSIDERATION

3.1 Licensee shall pay to CTL a royalty rate of either:

(a) three percent (3%) of Net Sales of Licensed Variety Certified Seed sold by Licensees based in New York State; or

(b) four percent (4%) of Net Sales of Licensed Variety Certified Seed sold by Licensees based outside of New York State and within the Territory.

3.2 Performance and Diligence. Licensee shall have reasonable practices to insure the quality and reputation of the Licensed Variety: a) Licensed Variety may be sold only as Certified Seed (or equivalent); b) Licensees must include a notice when listing in catalogs that the Licensed Variety is protected under applicable certificate number or equivalent; c) Licensee will implement and monitor quality assurance standards as detailed in 6.1 and 6.2 for all contract growers authorized for commercial use of Licensed Variety; d) All production of seed of the Licensed Variety that fails to meet Seed Certification Standards as detailed in 6.1 and 6.2 GOVERNMENT MATTERS AND QUALITY ASSURANCE shall be used or marketed only for food or animal feed purposes, and no royalty shall be owed on such sales provided that, on an annual basis, the amount of seed sold for such purposes does not exceed 20% of the total production by Licensee.

4. REPORTS, RECORDS AND PAYMENTS

4.1 (a) Production Reports, shall be due annually on or before November 1st for activities and efforts related to the Licensed Variety during the prior 12 month period beginning upon October 1st and ending September 30th. Please include the status of the Licensed Variety e.g. Nuclear = “N”; Generation = “G”, G1, G2, G3...; Field Year = “FY”, FY1, FY2, FY3...; Certified “C”; Foundation = “F”; or the terms used by your local certification agency for seed potatoes relating to specific criteria to disease tolerances and other requirements), increasing inventory efforts, etc.

(b) Royalty Reports. Licensee shall submit to Cornell a Royalty Report on or before November 1st for the sales of the previous year commencing October 1st and ending on September 30th of that year. Licensee may use the Royalty Report provided in Exhibit A.

4.2 Records & Audits. Licensee shall keep accurate and correct records of (1) all the Licensed Variety maintained; and (2) the quantity of Licensed Variety produced and sold under this Agreement. Such records shall be retained by Licensee for at least five (5) years following a given reporting period. Upon request, LICENSEE shall make its books and records available for auditing by CTL or NYSIP or another designated agent for the purpose of verifying the amount of royalties due. Licensee hereby consents to release of certification records by NYSIP or other certification agency to CTL for the purposes of verification of royalties due.

4.3 Payments. All royalty-bearing sales of the Licensed Variety made by Licensee shall be reported and paid by November 1st following the Term of the Agreement with respect to seed sales from the previous crop year (see Exhibit A for an example report). In the event royalty payments are not received by CTL when due, Licensee shall pay to CTL interest charges at a rate of ten percent (10%) per year. Such interest shall be calculated from the date payment was due until actually received by CTL.

5. [THIS SECTION IS INTENTIONALLY LEFT BLANK.]

6. GOVERNMENTAL MATTERS & QUALITY ASSURANCE

6.1 All seed production of the Licensed Variety in the Field will be inspected according to the standards of NYSIP or another official seed certification agency having jurisdiction in the area of production, and all production of the Licensed Variety which is sold for seed must be approved as Certified Seed by an official seed certification agency and be labeled with a certified class seed tag or other indicia of official certification.

6.2 LICENSEE shall label all bags and containers of Certified Seed of the Licensed Variety with the words “Unauthorized Propagation Prohibited – U.S. Protected Variety – 1994 PVPA”.

7. TERMINATION OF AGREEMENT

7.1 Upon termination by either Party or expiration of this Agreement, Licensee’s authorization to produce, label, and market Certified Seed of the Licensed Variety shall cease. However, any

obligation of Licensee to pay CORNELL royalties or fees shall survive the termination or expiration of this Agreement.

7.2 If CTL or NYSIP determine that Licensee is in breach of any term or condition of this Agreement, CTL shall so notify Licensee in writing. Upon receipt of such notification, Licensee shall have thirty (30) days to cure said breach to the satisfaction of CTL.

8. LIMITED WARRANTY AND INDEMNIFICATION

8.1 Limited Warranty.

- (a) Cornell warrants that it is the owner of the Licensed Variety it delivers to Licensee.
- (b) ALL LICENSED VARIETY ARE PROVIDED “AS IS” AND WITHOUT WARRANTY OF MERCHANTABILITY OR WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER WARRANTY, EXPRESS OR IMPLIED. Cornell has no knowledge that the use of the Licensed Variety will infringe any proprietary right of third parties and makes no, and expressly disclaims any and all, representations or warranties that the Licensed Variety will not infringe any proprietary right of third parties.
- (c) In no event shall Cornell be liable for any incidental, special or consequential damages resulting from the use of the Licensed Variety.
- (d) Nothing in this Agreement shall be construed as:
 - (i) a warranty or representation that anything made, used, sold or otherwise disposed of under this Agreement is or shall be free from infringement of rights of third parties;
 - (ii) an obligation to bring or prosecute actions or suits against third parties;
 - (iii) conferring by implication, estoppel or otherwise any rights to plants other than the limited permission to use the Licensed Variety as provided under this Agreement as defined in this Agreement, regardless of the parentage or lineage of those plants; or
 - (iv) an obligation to furnish any know-how related to the Licensed Variety.

8.2 Indemnification.

- (a) Licensee shall indemnify, hold harmless and defend New York State Agricultural Experiment Station, Cornell, their officers, employees, and agents, and the sponsors of the research that led to the development of the Licensed Variety against any and all claims, suits, losses, damage, costs, fees, and expenses resulting from or arising out of exercise of this Agreement. This indemnification shall include, but not be limited to, any product liability with respect to the sale and use of Licensed Variety.
- (e) Licensee, at its sole cost and expense, shall insure its activities in connection with the work under this Agreement and obtain, keep in force, and maintain an adequate insurance or an equivalent program of self-insurance.

- (f) Licensee shall, upon request, furnish Cornell a written record of its insurance specifying the coverage amount. If Licensee self-insures, Licensee shall so state and also provide Cornell a copy of its latest official annual report or tax report.
- (g) Cornell shall notify Licensee in writing of any claim or suit brought against Cornell in respect of which Cornell intends to invoke the provisions of this Section. Licensee shall keep Cornell informed on a current basis of its defense of any claims under this Section.

9. RESTRICTION ON USE OF NAME AND CONFIDENTIALITY

9.1 Use of Name. Nothing contained in this Agreement confers any right to use in advertising, publicity, or other promotional activities any name, trade name, trademark, or other designation of either Party hereto (including contraction, abbreviation or simulation of any of the foregoing) except for the statement *“All or part of the genetics of this Licensed Variety were developed at and provided by Cornell University.”* Unless required by law, the use by Licensee of the name, “Cornell University” or “New York State Agricultural Experiment Station” in any other manner without the express written consent of Cornell or the New York State Agricultural Experiment Station is prohibited.

9.2 Confidential Information shall mean any non-public information disclosed by Cornell to Licensee prior to or during the Term, including information relating to finances, the Licensed Variety, or other subject matter, whether or not such information is marked “Confidential”.

10. MISCELLANEOUS PROVISIONS

10.1 Correspondence. Any notice, invoice or payment required to be given to either Party under this Agreement shall be deemed to have been properly given and effective:

10.4 No Waiver. No waiver by either Party of any breach or default of any covenant or agreement set forth in this Agreement shall be deemed a waiver as to any subsequent and/or similar breach or default.

10.5 Failure to Perform. In the event of a failure of performance due under this Agreement and if it becomes necessary for either Party to undertake legal action against the other on account thereof, then the prevailing Party in such action shall be entitled to reasonable attorney's fees, in addition to costs and necessary disbursements.

10.6 Governing Law. THIS AGREEMENT SHALL BE INTERPRETED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, without giving effect to its choice of law principles, provided that the United Nations Convention on Contracts for the International Sale of Goods shall not apply.

The Parties agree to the exclusive jurisdiction of the federal or state courts of New York, United States, and of any competent court of appeal, as regards any current or future dispute involving this Agreement.

- 10.7 Force Majeure.** A party to this Agreement may be excused from any performance required herein if such performance is rendered impossible or unfeasible due to any catastrophe or other major event beyond its reasonable control, including, without limitation, war, riot, and insurrection; laws, proclamations, edicts, ordinances, or regulations; strikes, lockouts, or other serious labor disputes; and floods, fires, explosions, or other natural disasters. When such events have abated, the non-performing party's obligations herein shall resume.
- 10.8 Headings.** The headings of the several sections are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning or interpretation of this Agreement.
- 10.9 Entire Agreement.** This Agreement embodies the entire understanding of the Parties and supersedes all previous communications, representations or understandings, either oral or written, between the Parties relating to the subject matter hereof.
- 10.10 Amendments.** No amendment or modification of this Agreement shall be valid or binding on the Parties unless made in writing and signed on behalf of each Party.
- 10.11 Severability.** In the event that any provision contained in this Agreement is held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement, and this Agreement shall be construed as if the invalid, illegal, or unenforceable provision had never been contained in it.

IN WITNESS WHEREOF, both Cornell and Licensee have executed this Agreement, in duplicate originals, by their respective and duly authorized officers on the day and year written.
